

Massanutten River Adventures, Inc.
Participant Assumption of Risks, Acknowledgment of Inherent Risks and
Indemnity Agreement

In consideration of the services of Massanutten River Adventures, Inc., its respective agents, owners, lessors, contractors, holding companies, shareholders, officers, volunteers, participants, employees, and all other persons or entities acting in any capacity on its behalf (hereinafter collectively referred to as "M.R.A."), I hereby agree to the following acknowledgements and to discharge M.R.A. on behalf of myself, my parents, my children, my heirs, assigns, personal representatives and estate as follows:

1. Inherent Risks. I acknowledge that any water related activity such as rafting, tubing, canoeing, or kayaking entails known and unanticipated risks that could result in physical or emotional injury, death, or damage to myself, to property, or to third parties. I understand and acknowledge that the enjoyment and excitement of adventure and water activities is derived in part from inherent risks incurred by activity beyond the accepted safety of life at home or in my normal day to day activities and that these inherent risks contribute to my enjoyment and excitement and are an integral reason for my participation in this activity. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity. I also understand and acknowledge that failing to use or properly use safety type equipment (such as life jackets) increases my risk of injury or of not surviving an accident or incident while doing a water related activity.

The inherent risks associated with the activity in which I am about to participate include, but are not limited to: encountering whitewater rapids and changing water flows and the possibility that I will be jolted, jarred, bounced, thrown to and fro and shaken about during rides through some of these rapids or changing water flows; it is possible that I could be injured if I come in contact with food boxes, oars/paddles, other storage containers, or other fixed equipment necessary to the operation or outfitting of the raft, tube, canoe or kayak; I recognize there are foot cups or foot holds in watercraft which may assist in stabilizing or holding myself or others in the watercraft but which may present an increased risk of knee, ankle or other injury as a result of restricted movement; the water craft may break down or be faulty; it is possible that loss of control of the raft, tube, canoe or kayak could occur resulting in collision or capsizing or sinking and that if a boat turns over or flips I could be "washed" overboard; boats are slippery when wet and are naturally unstable so that I could slip and fall or be knocked out of the raft, tube, canoe or kayak even in flat or non-moving water; while in the water I may become disoriented, panicked and/or experience trauma from rocks, boulders, etc; I can slip or fall during hiking or portaging or getting to and from the boat and I understand that the areas in which I

might hike sometimes hide dangerous obstacles such as tree wells, tree stumps, creeks, rocks and boulders, forest dead fall, etc.; the boat or any portion of it may collide with or encounter other boats, man-made or natural objects including submerged or semi-submerged trees, rocks, branches, boulders, bridges, etc.; accidents can occur getting on and off the raft, tube, canoe or kayak; changing weather conditions, storms or even lightening are possible; exposure to the natural elements can be uncomfortable and/or harmful and I am aware that this exposure could cause sunburn, dehydration, heat exhaustion, heat stroke, heat cramps, hypothermia or fatigue, some or all of which may diminish my or the other participants' ability to react or respond; I understand that prolonged exposure to cold water can result in "cold water immersion" syndrome or "cold shock," hypothermia and in extreme cases death; I may encounter dangerous wildlife, insects, etc.; communication in the river terrain in which this activity occurs is always difficult and in the event of an accident, rescue and medical treatment may not be immediately available. I expressly acknowledge that the use of drugs or alcohol during my participation in any or all of the activities associated with or provided by M.R.A. is done at my own peril and is not condoned, encouraged or excused by M.R.A. in any way. I understand that M.R.A. reserves the right to deny me or any other person participation before or during an activity if it finds that person to be mentally or physically impaired or unprepared.

I acknowledge that I AM ULTIMATELY RESPONSIBLE for my own safety during my participation in M.R.A. events/activities.

I acknowledge that M.R.A. is not a "Common Carrier" but rather is in the business of providing boating/floating and other recreation activities. Transportation to and from activities is incidental to the activity. Transport and car, bus, or van travel in some instances may be provided by M.R.A. and/or M.R.A. employees and may involve errors in judgment by M.R.A. or staff operating the vans, buses, cars, or other type transport vehicles. The vehicles and transport trailers may malfunction, break down, or be poorly maintained, causing injury, accidents, delays or in the extreme case, death. Transport may be provided by independent contractors to M.R.A. and may involve errors in judgment by those independent contractors.

By signing this Participant Assumption of Risks, Acknowledgement of Risks and Indemnity Agreement, I acknowledge that I AM ULTIMATELY RESPONSIBLE for my own safety during this M.R.A. boating/floating activity.

Furthermore, the M.R.A. staff have difficult jobs to perform. They seek safety, but they are not infallible. They might be ignorant of a participant's fitness or abilities. They might misjudge the weather, the elements, or the terrain. They may give inadequate warnings or instructions and/or I as the participant may fail to understand the safety directions due to language issues. Further, I may encounter: the negligence or misbehaviors of other visitors or participants who may be present, participants giving or following inappropriate advice, mine or others' failure to follow the rules of M.R.A. and/or my own negligence or inexperience, some or all of which may diminish my or the other participants' ability to react or respond. I also acknowledge that I have the responsibility to inspect any and all facilities or equipment to be used and to immediately advise M.R.A. of anything which I consider to be unsafe or to refuse to participate. With knowledge of all of these issues:

2. Express Assumption of Risk. As lawful consideration for my being allowed to participate in the activities offered by M.R.A., I expressly agree on behalf of myself and any of the children for which I am responsible, and promise on behalf of myself and any of the children for which I am responsible, to accept and assume all the risks existing in the M.R.A. trip I/we are attending. My/our participation in this M.R.A. trip is purely voluntary, and I/we elect to participate in spite of the risks. I/we expressly agree that this Participant Assumption of Risks, Acknowledgment of Inherent Risks and Indemnity Agreement is contractual in nature, supported by Virginia law and that I/we are signing it of my/our own free will.

3. Indemnity. As liquidated damages, I agree that, should M.R.A. or anyone acting on their behalf, be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless (in other words, pay for...) for all such fees and costs.

4. Personal Skill & Insurance. I certify that myself and my family, including minor children, have sufficient skill and fitness to participate in the activities offered by M.R.A. I/we further certify that I/we have no medical, mental or physical conditions which could interfere with my/our safety or ability to participate in these activities, or else I/we am willing to assume and bear the cost of all risks that may be created, directly or indirectly, by any such condition. I/we further certify that I/we have

adequate insurance to cover any injury, damage, or emergency transportation costs I/we may cause or suffer while participating, or else agree to bear the costs of such injury, damage, or emergency transportation costs myself/ourselves. I understand that M.R.A. reserves the right to deny me or any other person participation before or during an activity if it finds that person to be mentally or physically impaired or unprepared.

5. Medical Issues. I further agree that, in the event that M.R.A. deems it necessary to administer emergency first aid or CPR or to remove me from its activities or to extricate me from the field or from the remote venue in which the activity operates for ANY type of health related reason that, by signing this document, I am giving M.R.A. permission to: administer emergency first aid or CPR, secure emergency transport or medical care and/or disclose any medical information it may have about me to any health care provider which may become involved in my care, treatment or removal from the field. By signing this document, I am waiving any right to object to or bring any type of action or claim against M.R.A. for its administration of emergency first aid or CPR or for securing emergency transport or medical care and/or for the disclosure of personal medical information it may have about me to any health related person who becomes involved in my care or removal from M.R.A. activities or the field.

6. Photographic Assignment. I understand that M.R.A. reserves the right to take photographic or film (of whatsoever nature) records of any or all of the activities offered by it and I hereby agree that M.R.A. may use such records for promotional and/or commercial purposes without any remuneration to me. I hereby assign all right, title and interest I may have in or to any and all media in which my name or likeness might be used by M.R.A.

7. Release as Contract and Personal Capacity. I expressly agree and acknowledge that the terms of this Participant Assumption of Risks, Acknowledgment of Inherent Risks and Indemnity Agreement are contractual in nature, supported by Virginia law and that I am signing it of my own free will. I expressly acknowledge that I am not under the influence of drugs or alcohol at the time of my signing of this agreement and that there are no other impediments or reasons why I would lack the capacity to sign this document.

8. Forum Selection, Severability, Breach of Contract/Warranty Waiver, Etc. In the event I file a lawsuit against M.R.A., I agree to do so solely in the State of Virginia, and I further agree that the substantive law of that state shall apply in that action without regard to the conflict of law rules of that state and I hereby irrevocably waive any other jurisdiction or venue to which I or my estate or my children's estates might otherwise have be entitled. I agree to submit to the jurisdiction of the Virginia courts. I agree that if any portion of this agreement/contract is found to be void or unenforceable, the remaining portion shall remain in full force and effect; this document is intended to be interpreted as broadly as possible. A copy of this agreement can be used as if it was the original. I understand that this document constitutes the entire agreement between myself and M.R.A. and that it cannot be modified or changed in any way by representations or statements of any nature (be they vocal, advertising, etc.) outside of this document; in other words, I am also waiving any claims I might have for breach of contract or warranty for statements or representations made outside of this release contract.

By signing this document, I acknowledge that if anyone is harmed or property is damaged during my participation this M.R.A. trip, I may be found by a court of law to have waived my right to maintain a lawsuit against M.R.A. on the basis of any acknowledgments I have made in this document.

I HAVE HAD SUFFICIENT OPPORTUNITY TO READ THIS ENTIRE DOCUMENT (ALL 2 PAGES).
